

LMS ALLIANCE DIRECTORY

Lee Management Services' Alliance is an alignment of healthcare consultants who work on a multi-disciplinary basis to find solutions. The complexity of the health care environment requires solutions that are formed from in-depth experience, knowledge, and from the merging of sometimes diverse professional disciplines. Each LMS' Alliance Consultant has over 25 years of administrative, clinical, and consulting experience in their field of expertise.

The LMS Alliance delivers consulting, management, and project leadership services to nearly 100 health care and social service organizations each year, on a local and national basis. Remaining competitive and viable requires a multi-disciplinary set of skills— contact the LMS Alliance.
